4

1 Quick-change concept for attachments without tools

- Quick and easy attachment changeover by one person. The machine can be converted from a sweeper to a winter maintenance vehicle within minutes, or used for grass cutting.

2 All-wheel drive

- For optimal grip and propulsion also on wet and slippery surfaces (e.g. for use in winter or on grassed areas).

3 Highly efficient vacuum system

- Designed to reduce fuel and water consumption as well as exhaust emissions and operating noise.

4 Heating and air conditioning

- The MC 50 Adv Comfort offers maximum working comfort in warmer environments.

MC 50 Advanced Comfort version

- Prepared for year-round use
- Sweeping, mowing, winter maintenance
- Highly efficient vacuum system

Technical data

Order No.	1.442-202.2
